²Reimbursement for all dentists will be based on the PPO contracted fee.

³Benefits payable will be based on the lesser of the prevailing fee or the submitted amount fee.

Exclusions for the KPIC Fee-for-Service (Premier) and KPIC PPO dental plans

The KPIC Fee-for Service (Premier) and PPO dental insurance plans aren't intended to satisfy the ACA child dental benefits.

The following services aren't covered under any Kaiser Permanente Insurance Company (KPIC) group dental insurance plans:

- Cosmetic surgery, dentistry, or services to correct hereditary, congenital, or developmental malformations.
- Restoration of tooth structure crowns, and/or cast restorations, or chewing surfaces for damages due to wear.
- Prosthodontic services or procedures started prior to a person's date of eligibility.
- Prescribed drugs medication, pain killers, antimicrobial agents, or experimental/investigational procedures.
- Anesthesia (except general anesthesia for oral surgery).
- Services for implants (prosthetic appliances placed into or on the bone of the upper or lower jaw to retain or support dental prosthesis) their removal or other associated procedures. Doesn't apply to the PPO AH 2000
- Treatment related to the temporomandibular joint (TMJ).
- Orthodontic treatment, except for eligible dependent children under Plan E with Orthodontics.
- Treatment plans that are higher level of services than those customarily provided under accepted dental practice or specialized techniques used instead of standard procedures; for example, a precision denture where a standard denture would suffice.
- Replacement of existing restoration for any purpose other than active tooth decay.
- Intravenous sedation, occlusal guards, or complete occlusal adjustment.

Predetermination of benefits is recommended for services in excess of \$300. This document isn't intended as a summary plan description, nor is it designed to serve as the *Certificate of Insurance* or the *Schedule of Coverage*. It contains only a summary of benefits, exclusions, and limitations.

If you have specific questions regarding benefit structure, limitations, or exclusions, consult the *Certificate of Insurance* and the *Schedule of Coverage* or contact Delta Dental's Customer Service Department at 800-835-2244, 8 a.m. to 5 p.m., Monday through Friday.

For a list of in-network providers, contact Delta Dental's Customer Service Department or visit deltadentalins.com.

This dental insurance plan is underwritten by Kaiser Permanente Insurance Company, a subsidiary of Kaiser Foundation Health Plan, Inc., and administered by Delta Dental of California.

Benefits listed above are only a sample of provided services and associated costs. Costs will vary. Please see your *Evidence of Coverage* for a comprehensive list of all services and costs. DeltaCare benefits are covered only when performed by an in-network California DeltaCare HMO provider. In California, DeltaCare USA is underwritten and administered by Delta Dental of California. The DeltaCare HMO plans aren't intended to satisfy the ACA child dental benefits.

Exclusions of benefits for the DeltaCare HMO dental plans

The DeltaCare HMO plans aren't intended to satisfy the ACA child dental benefits.

- The DeltaCare HMO dental plan isn't available for employees enrolled in a PPO medical plan and living outside of California.
- Any procedure that in the professional opinion of the contract dentist:
 - has poor prognosis for a successful result and reasonable longevity based on the condition of the tooth or teeth and/or surrounding structures, **or**
 - is inconsistent with generally accepted standards for dentistry.
- Services solely for cosmetic purposes, with the exception of procedure D9972 (external bleaching, per arch), or for conditions that are a result of hereditary or developmental defects, such as cleft palate, upper and lower jaw malformations, congenitally missing teeth, and teeth that are discolored or lacking enamel, except for the treatment of newborn children with congenital defects or birth abnormalities.
- Porcelain crowns, porcelain fused to metal, cast metal or resin with metal type crowns, and fixed partial dentures (bridges) for children under 16 years of age.
- Lost or stolen appliances including, but not limited to, full or partial dentures, space maintainers, crowns, and fixed partial dentures (bridges).
- Procedures, appliances, or restoration, if the purpose is to change vertical dimension, or to diagnose or treat abnormal conditions of the temporomandibular joint (TMJ).
- Precious metal for removable appliances, metallic or permanent soft bases for complete dentures, porcelain denture teeth, precision abutments for removable partials or fixed partial dentures (overlays, implants, and appliances associated therewith), and personalization and characterization of complete and partial dentures.
- Implant-supported dental appliances and attachments; implant placement, maintenance, or removal; and all other services associated with a dental implant.
- Consultations for noncovered benefits.
- Dental services received from any dental facility other than the assigned contract dentist, a preauthorized dental specialist, or a contract orthodontist except for Emergency Services as described in the contract and/or *Evidence of Coverage*.
- All related fees for admission, use, or stays in a hospital, outpatient surgery center, extended care facility, or other similar care facility.
- Prescription drugs.
- Dental expenses incurred in connection with any dental or orthodontic procedure started before the enrollee's eligibility with the DeltaCare USA program. Examples include: teeth prepared for crowns, root canals in progress, full or partial dentures for which an impression has been taken, and orthodontics unless qualified for the orthodontic treatment in progress provision.
- Lost, stolen, or broken orthodontic appliances.
- Changes in orthodontic treatment necessitated by accident of any kind.
- Myofunctional and parafunctional appliances and/or therapies.
- Composite or ceramic brackets, lingual adaptation of orthodontic bands, and other specialized or cosmetic alternatives to standard fixed and removable orthodontic appliances.
- Treatment or appliances that are provided by a dentist whose practice specializes in prosthodontic services.

For additional benefit information or a directory of Delta dentists, please call Delta Dental at **800-422-4234** or visit deltadentalins.com.
