Rating policy for small group metal plans

Metal plan rates are calculated using 2 factors – rating area and member age.

■ Rate areas

- Businesses located in California: rates are based on the business's verified physical address (ZIP+4 and county).
- Businesses located outside of California are assigned to rating area 4.
- When a group is located outside the Kaiser Permanente service area, then only employees living in the service area are eligible to enroll based on their home address (ZIP+4 and county).

- **Member age** – Rates are calculated by the age of each covered member on the plan's effective date.

This includes:

- Your employee
- Employee's spouse or domestic partner
- A family will pay a premium per child up to 3 of the oldest children under age 21, each additional child after the third will be \$0.
- A premium will apply to every age from 21–26.

Child dental coverage

Child dental services is one of the essential health benefits required to be provided to dependents under 19 years old when enrolled in ACA-compliant metal medical plan(s). When these dependents enroll in your selected HMO medical plan(s), they will be enrolled in a separate child dental benefit underwritten by Delta Dental of California with services provided through the DeltaCare® USA network. When dependents enroll in your selected PPO medical plans, they will receive child dental PPO benefits as part of their coverage and not as a separate plan and with services provided through the Delta Dental PPO network.

What does "Alt" mean?

ALT denotes Kaiser Permanente designed plans which includes chiropractic and acupuncture benefits (except for the Gold 80 HDHP HMO 1750/15% plan). These plans are different from the standard plans and offered at Covered California for Small Business and CaliforniaChoice®.
