

## 2023 Washington Added Choice® vision hardware (pediatric)

This benefit covers vision hardware until the end of the month in which the member turns 19. You may use this benefit at:

- Select optical providers, including Vision Essentials by Kaiser Permanente.
- PPO optical providers, including First Choice Health and First Health Network optical providers.
- Nonparticipating optical providers.

Pediatric Vision Hardware and Optical Services	You Pay		
	Select Providers	PPO Providers	Nonparticipating Providers
Eyeglasses (limited to one pair per year*)	\$0	\$0	50% coinsurance
Conventional or disposable contact lenses, in lieu of eyeglasses (limited to one pair per year for conventional contact lenses or up to a 12-month supply of disposable contact lenses per year*)	\$0	\$0	50% coinsurance

\*Limits apply to Select, PPO and non-participating benefits combined.

Refer to the medical benefits plan for coverage associated with related optical services, including routine eye exams.

### Vision Essentials by Kaiser Permanente optical centers

Our Vision Essentials optical centers are located next to our optometry offices. We have our own lab, and we can fill most orders within 5 business days. From designer frames to value packages, we offer a selection that fits your budget and your style. We are pleased to offer you a great selection of conventional and disposable contact lenses, the latest technology in eyeglass lenses, a broad selection of frames, and personal service to help you find the right eyewear for your lifestyle. For more information, visit [kp2020.org](http://kp2020.org).

### Vision hardware exclusions

- Nonprescription products (other than eyeglass frames), such as eyeglass holders, eyeglass cases, repair kits, contact lens cases, contact lens cleaning and wetting solution, and lens protection plans; and lens add-on features such as lens coatings (other than scratch-resistant coating or ultraviolet protection coating). Some nonprescription products and add-on features may be purchased at in-network optical centers.
- No-line or progressive bifocal and trifocal lenses.
- Nonprescription sunglasses.
- Nonprescription contact lenses or glasses.
- Replacement of lost, broken, or damaged lenses or frames.
- 2 pairs of glasses in lieu of bifocals.
